Due to uncertainty in airline flight schedules, you will need to contact your airline and confirm your flight information prior to each departure. We recommend that you arrive at the airport a minimum of 90 minutes in advance of departure for domestic flights and at least 2 hours in advance of departure for international flights. If you fail to arrive at your gate on time, the airline has the right to cancel your reservation and make you ineligible for denied boarding compensation. If you choose not to take any of the flights for which you are ticketed, the airlines will automatically cancel the remainder of your reservation.
