

Revealing Hertzian Space

Hertzian Space

The universe creates RF signals spread across the entire spectrum, against that backdrop we create both RF signals in narrow bands to suit our needs and RFI over the entire spectrum because we are careless.

Our Interaction With Hertzian Space

Desired interactions: mobile phones and wireless networking
 Undesired interactions: concealed wireless cameras and threats to our physical health.

Translate the Invisible to the Tactile

Is Hertzian Space tactile, audible, or visible?
 What is the grammar and vocabulary?
